**-TO ALL INTERESTED BUSINESS ENTITIES-**

CLARIFICATION No. 1 OF THE CALL FOR TENDERS  
for the subject of procurement

**„EXTENSOMETERS“,  
procurement number JN 59/2026**

**Question No. 1 of the interested business entity**

There is a split between Group 1 und Group 2. How shall we split our quote to fit in:

1x 3542RA-2-025M-120M-ST

1x 3542RA-2-050M-120M-ST

1x 3975-150M-ST

1x 3975-100M-FRAME

3x 348-31180-01 (AGX) Shimadzu Calibration.

**Answer of contracting authority:**

For the offer to be valid, you need to fill in all 3 documents: Bill of quantities, Offer list, and Technical specifications. For Group 1, we need 3 extensometers with supporting accessories. For example, item 1 may be 3542RA-2-025M + 1 calibration cable, item 2 may be 3542RA-2-050M + 1 calibration cable, and item 3 may be 3975 + additional frame + 1 calibration cable (please see the Technical specification document provided with the Call).

Group 2 procures different good needed for the implementation of another project. If you have an item matching the technical specifications defined in the document Technical specifications – Group 2 provided with the Call, you may provide an offer for that group as well, while completing all 3 documents: Bill of quantities, Offer list, and Technical specifications.

Procurement and offers for Group 1 are independent of procurement and offers for Group 2.
