

CLASS: 003-06/24-02/00043
REG.NO.: 2158-77-24-00001
Osijek, 23 April 2024

Pursuant to Article 39, paragraph 7 of the Act on Higher Education and Scientific Activity ("Official Gazette" No. 119/22), Article 29, paragraph 5 of the Rules on the Procedure for Appointment/Reappointment to Scientific-Teaching, Artistic-Teaching, Teaching, Associate and Professional Positions at Josip Juraj Strossmayer University of Osijek, and Article 31, paragraph 1, subparagraph 9 of the Statute of the Faculty of Civil Engineering and Architecture Osijek, the Faculty Council of the Faculty of Civil Engineering and Architecture Osijek, at its 7th regular session in the academic year 2023/2024, held on 23rd April 2024, under item 8 of the agenda, adopted the following

DECISION
on Additional Criteria for Appointment to a Vacant Associate Position of Senior Assistant at the Faculty of Civil Engineering and Architecture Osijek

I.

A person may be appointed to a vacant associate position of Senior Assistant if, in addition to meeting the requirements laid down in Article 29, paragraphs 1 and 4 of the Rules on the Procedure for Appointment/Reappointment to Scientific-Teaching, Artistic-Teaching, Teaching, Associate and Professional Positions at Josip Juraj Strossmayer University of Osijek, they also meet the additional criteria as follows:

No.	Criterion	Highest number of points	Scoring method	Clarification
1.	Awards or recognitions during doctoral studies for excellence in research, or awards for teaching	15	Each award is multiplied by 5	An international award or recognition, or a distinguished national award or recognition related to research work or teaching. Awards granted by state bodies and national scientific and cultural institutions are accepted. Candidates are responsible for submitting evidence of fulfilling the criterion.

2.	Professional development in the scientific field for which the vacancy has been announced	15	Each month spent at university or scientific institutions in Croatia or abroad is multiplied by 5	The time spent at institutions must be related to professional development in the scientific field for which the vacancy has been announced. Candidates are responsible for submitting evidence of fulfilling the criterion.
3.	Published papers in the field for which the vacancy has been announced	20	Each published scientific paper in a journal indexed in the WoS or Scopus database is multiplied by 10, and each paper published in conference proceedings is multiplied by 2	Papers published in journals and proceedings relevant to the field for which the vacancy has been announced. Candidates are responsible for submitting evidence that the journal is indexed in the stated databases.
4.	Communication skills and motivation for scientific, teaching and professional work	30	The scoring method shall be determined by the members of the Expert Committee	Interest and motivation for scientific and teaching work, willingness to pursue professional development in Croatia and abroad, ambition, independence, communication and social skills, and other relevant qualities.
5.	Doctoral study in the field for which the vacancy has been announced	20	20 points for completed doctoral study in the field for which the vacancy has been announced	Verification of whether the completed doctoral study corresponds to the scientific field for which the vacancy is announced.
TOTAL:		100		

II.

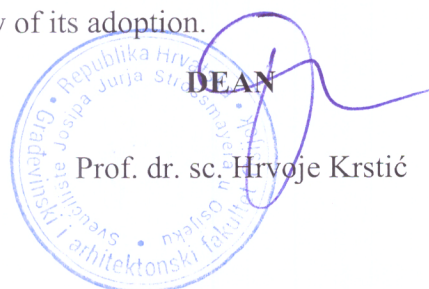

In addition to the additional criteria prescribed in item I of this Decision, a candidate applying to the vacancy must meet the criterion of having completed doctoral studies in the scientific area for which the vacancy is announced.

III.

The criteria referred to in items I and II of this Decision shall also apply identically to the procedure for appointment of a titular Senior Assistant at the Faculty of Civil Engineering and Architecture Osijek.

IV.

This Decision shall enter into force on the day of its adoption.
